

Your Partner in Pharmacy Solutions

## Services for Hospice & Palliative Care

### Medication Administration Services

#### Home Delivery

At Apothecare, we offer medication delivery directly to the home at no charge, including compounded prescriptions for hospice patients. Same day delivery of medications is standard and STAT orders are processed upon request. We offer Comfort Kits that can be customized according to your specific needs, and our pharmacists will work with you to maximize cost-effectiveness. Hospice is only billed for medications received.

#### Dedicated Hospice Team

At Apothecare, we have a dedicated team of pharmacists and technicians that specialize in hospice services and are prepared to support your nurses as needed. You can communicate with our hospice team by dialing (866) 820-7171 and pressing Option 1, or by using our dedicated hospice fax number at (508) 588-6118.

#### Specialized Compounded Medications

Equipped with a state-of-the-art compounding lab, we can produce high-quality customized medications to accommodate the unique needs of end-of-life care. Compounded medications include topical gels & creams, suppositories, sprays, and oral concentrates.

## Who We Are

With over a decade of experience, Apothecare is a leading provider of specialized pharmacy services to hospice and palliative care programs throughout Southern New England. We know you need more than just a pharmaceutical provider - you need a trustworthy partner whose foundation is built on personalized customer service so that you can focus on caring for your patients.

We understand that it is not always easy to stay abreast of prescription refills and medication delivery without an organized process. That's why we make it our priority to help you keep track of pain management regimens and comfort medications for your patients, as well as provide customized compounding services.

## Service You Can Trust

### Access to Pharmacists 24/7

Apothecare is here when you need us with on-call pharmacists available for emergency delivery or consultation 24 hours per day, 7 days a week. Our regular hours of operation are Monday-Friday from 9:00 AM - 9:00 PM, and Saturday/Sunday from 9:00 AM - 5:00 PM.

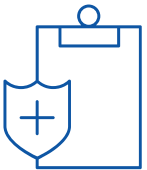

### State-Of-The-Art Facilities

Our state-of-the-art pharmacy is fully equipped for quick-turnaround of orders and specialty services such as prescription compounding.

### Free Reliable Delivery

We offer fast delivery 7 days a week to all of Southern New England including MA, RI, and CT. Same day delivery of all medications comes at no charge.

### Wide Range of Insurances Accepted

We accept most commercial insurance providers, as well as Medicare and Medicaid, making it easy for your team to integrate Apothecare into your programs. Our team also helps coordinate with insurance providers to ensure a smooth transition.
