

## Substance Use Recovery

➔ **HOPE** ➔ **FUTURE**

### What Makes Apothecare Different?

#### Free and Discreet Delivery

We offer fast delivery throughout Southern New England including MA, RI, and CT. Medications are packaged in discreet, suitable packaging and delivered directly to the door at no charge.

- Frequently scheduled deliveries
- Same day for new orders
- STAT and emergency deliveries available

#### 24/7 Access

Our knowledgeable pharmacists are in the building 24/7. They can prepare medications, access patient profiles, provide recommendations and triage a situation.

Through our online Web Connect portal, you can keep view medication profiles and refills in real time, as well as communicate with the pharmacy.

#### Controlled Medications

We offer tamper-evident blister packaging with secure cardboard backing for all controlled medications. Our pharmacists are fully trained and knowledgeable in a wide variety of medications. Most commonly: Naltrexone, Buprenorphine, Vivitrol, Disulfiram, Acamprosate, Modafinil, Mirtazapine, Bupropion, Gabapentin, Vigabatrin, Baclofen, and Topiramate.

## Who We Are

### Free and Discreet Delivery

With over a decade of experience, Apothecare is a leading provider of specialized pharmacy services to substance use treatment centers and recovery programs throughout Southern New England. We know that you need more than just a pharmaceutical provider. You need a trustworthy partner whose foundation is built on personalized customer service so that you can focus on your clients and their recovery.

We understand that it is important to stay abreast of prescription refills, medication delivery and drug screenings. That is why we customize our approach with client-specific needs in mind.

## Service You Can Trust

### Access to Pharmacists 24/7

Apothecare is here when you need us with on-call pharmacists available for emergency delivery or consultation 24 hours per day, 7 days a week. Our regular hours of operation are Monday-Friday from 9:00 AM - 9:00 PM, and Saturday/Sunday from 9:00 AM - 5:00 PM.

### State-Of-The-Art Facilities

Our state-of-the-art pharmacy is fully equipped for a quick turnaround of orders and specialty services such as prescription compounding.

### Knowledgeable Pharmacists

Our team of pharmacists is highly trained and experienced in managing Hepatitis C and HIV and familiar with commonly prescribed medications.

### Wide Range of Insurances Accepted

We accept most commercial insurance providers, as well as Medicare and Medicaid, making it easy for your team to integrate Apothecare into your programs. Our team also helps coordinate with insurance providers to ensure a smooth transition.

### Specialized Compounded Medications/Durable Medical Equipment

Equipped with a state-of-the-art compounding lab, we can produce high-quality customized medications to accommodate the unique needs of each client. We also offer durable medical equipment (diabetic and incontinence supplies, nutritional shakes)
